A History of the Philippines

A History of the Philippines

David Barrows

This book is one of the earliest studies of Philippine history by an American scholar. In preparation for this book, the author conducted ethnological studies of indigenous island tribes after the American war in the Philippines. Since this book was intended for the Philippine reader, the author nicely places the history of the Islands into the broader context of European and American history.

Total running time:

9:11:14
